

ARIYA
nismo®

Dynamic. Agile. Bold.
ARIYA NISMO builds on Nissan's
rich motorsport heritage

Maintaining its Japanese-inspired design, ARIYA NISMO offers enhanced performance, dynamic handling and superior traction, thanks to bespoke NISMO tuning and e-4ORCE all-wheel-drive technology.

AERO OPTIMISED FRONT END
Refined by NISMO engineers, ARIYA NISMO's aero optimised air curtain, front splitter, & vortices generator combine to reduce drag and aid stability for increased driver engagement.

DUCKTAIL REAR SPOILER
Taking inspiration from Nissan's racing car heritage, ARIYA NISMO's ducktail spoiler adds style with substance, reducing lift and increasing rigidity across the tailgate.

ICONIC DIFFUSER DESIGN
ARIYA NISMO's aerodynamic focus continues with a twin-layered double diffuser that adds downforce and stability at higher speeds on the motorway. The 'NISMO Red' accent line and Formula E inspired rear fog light add further visual cues to this ARIYA's NISMO heritage.

ENKEI 20" ALLOY WHEELS
Inspired by Nissan's Formula E car, ARIYA NISMO's revised suspension set-up and bespoke ENKEI 20" Alloy wheels add a purposeful stance. The vented spoke design directs airflow out of the wheelhouse, aiding brake cooling and increasing downforce.

SPORTS STEERING WHEEL

The motorsport inspired steering wheel adds a premium finish and gloss black accents. A red centre mark and NISMO red-stitching create the perfect tool to enjoy the ultimate road surface.

PERFORMANCE EDGE

Inside ARIYA NISMO, it's the little details that count. An anodised NISMO Red metal finish to the dashboard and starter button give a distinctive feel. Select the bespoke NISMO driver mode for increased responsiveness and added performance.

NISMO DESIGN

Uniquely trimmed in high grip synthetic suede, ARIYA NISMO's seat materials improve body holding performance, adding greater support when cornering. With electric adjustment and heated seats, both driver and passenger are sure to find the perfect set-up.

SIGNATURE RED

NISMO's design presence continues throughout the interior, with red accents across the centre console, NISMO Red Ambient lighting, and unique infographics via the driver meter display.

e-4ORCE

DUAL MOTOR ALL-WHEEL DRIVE

Reinvent the all-wheel drive experience. Now 100% electric.

ARIYA's e-4ORCE dual-motor All-Wheel Drive powertrain offers more than just an awe-inspiring driving experience. It combines a balanced, smooth ride with stable dynamics reduced pitching on the road and increased passenger comfort, especially in stop start city driving.

Movement is effortless. Power, seemingly limitless. Press the accelerator, and e-4ORCE responds promptly with remarkable poise. Need to get through bad weather? e-4ORCE precisely meters out power to each of its wheels, individually, so you can navigate slippery roads with more confidence.

ARIYA NISMO's specially tuned e-4ORCE system can help to maximise mechanical grip by adjusting the power sent to each wheel 10,000 times per second. With a new 40:60 rear-bias, the system delivers greater driving dynamics, improved traction and tough weather performance to help maximise driving confidence.

Driving modes

ARIYA NISMO offers with 4 driving modes to deliver the best performance in any situation.

4 DRIVING MODES ARE AVAILABLE:

STANDARD

Enjoy the perfect balance of responsive performance and efficient driving - ideal for all your day to day journeys.

ECO

Go lightly, with softer acceleration for better economy and lower emissions. ECO mode is ideal for longer adventures.

NISMO

Feel the surge of exciting performance, with powerful acceleration for a more dynamic drive.

SNOW

Stay confident and in-control in the winter, with smooth acceleration from take-off for assured grip in snow and slippery conditions.

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk/ARIYA

Create your own digital landscape

INTEGRATED DISPLAY INTERFACE

The dual dynamic 12.3" screen displays from a single horizon. Arrange your display and personalise to your preference with music, maps, and more.

HEAD-UP DISPLAY^[1]

This intuitive display positions vital information within your line of sight - your current speed, the speed limit, and your upcoming turn hover over the road.

ALEXA[®]^[5] COMPATIBILITY

Use NissanConnect^[2] Services car capabilities to manage your vehicle remotely by voice command from the comfort of your home.

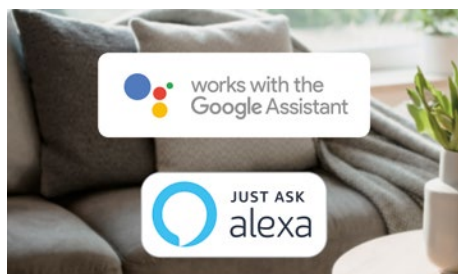

ALEXA[®]^[5] BUILT-IN

Use your smart home devices, listen to your playlists via Amazon Music and do on-the-spot shopping.

APPLE CARPLAY[®]^[3] & ANDROID AUTO[™]^[4]

Mirror your favourite app on your car touchscreen.

[1] Head-up unit is a convenient feature that displays key information on the windscreen, so that you can have them in view while maintaining your full attention on the road. [2] To use NissanConnect Services you need a smartphone with compatible iOS or Android operating system, and a SIM card with a data option from a mobile service provider. Download the free NissanConnect Services app and create an account. Connect your smartphone with your vehicle equipped with NissanConnect Services by logging in using your username and password. All services are subject to mobile network coverage. Some NissanConnect Services available for an additional charge on subscription or others may be free for a specific period and chargeable thereafter. For further information, visit Nissan.co.uk/ncsapp or contact your local Nissan Dealer. [3] Apple CarPlay is a registered trademark of Apple Inc. [4] Android Auto is a trademark of Google LLC. PERFORMANCE

The ARIYA NISMO builds on the performance of the 87kWh Ariya e-4ORCE with a NISMO-tuned powertrain: power increases to 435 PS (320 kW) while torque remains an impressive 600 Nm. Combined, this allows the ARIYA NISMO to accelerate from 0-62mph in five seconds and deliver in-gear acceleration from 50-70 mph in just 2.4 seconds.

ARIYA NISMO

ALL-WHEEL DRIVE DUAL MOTOR	
Battery size	87 kWh
WLTP combined range ^[1]	261 miles
Acceleration (0-62mph) and top speed	5.0s - 124 mph
Power and torque	320kW - 600Nm
Electricity consumption WLTP combined cycle	24.5 kWh / 60 miles
Peak charging power	AC 22kW / DC 130kW

WARRANTY

- 8 years / 100,000 miles^[2] warranty on the Lithium-ion battery, protecting against full capacity loss of below 9 bars out of 12 on the capacity gauge
- 5 years / 60,000 miles^[2] warranty on all EV dedicated components and 3 years / 60,000 mile sfor standard components
- 12 year anti-corrosion warranty

^[1]Figures were determined under the new Worldwide harmonized Light Vehicles Test Procedure (WLTP) test cycle.WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load. [2] Whichever comes first. For further details speak to your Nissan dealer for full terms and conditions.

STANDARD EQUIPMENT

NISSAN ARIYA NISMO

EXTERIOR:

- 20" Enkei wheels with gloss black finish
- LED headlights with auto on/off
- LED Daytime Running Lights
- Follow me home headlights
- LED Front Fog Lights
- NISMO Exclusive Rear Fog Light
- LED Tail Lights
- Heated & auto-folding mirrors
- Heated front windscreen
- Super UV and infrared cut glass with rear privacy glass
- Shark fin antenna
- Body coloured wing mirrors with NISMO red accent
- NISMO Air Curtain & Canard
- NISMO Ducktail Rear Spoiler
- Rear Twin Diffuser
- Hands free power tailgate
- Rear e-4ORCE badge
- Dark Chrome window mouldings

PERFORMANCE:

- 320kW / 435 PS Power
- 600Nm Torque
- 5.0s acceleration 0-62mph
- All Wheel Drive Dual Motor Drivetrain with 40:60 rear bias

COMFORT & CONVENIENCE:

- Graphite Suede upholstery with synthetic leather trim
- Heated front seats
- Heated steering wheel with tilt and telescopic manual adjustment
- Power driver and passenger 6-way seats

- Seat back pockets
- Automatic dual zone climate control & air conditioning
- Rear air vents
- Plasma cluster ion air purifier
- NISMO Red LED ambient lighting
- NISMO unique leather steering wheel
- Drive modes (NISMO, Normal, Eco, Snow)
- Heat pump
- Rain sensing wipers
- Front and rear parking sensors
- Intelligent Rear View Mirror
- One touch front and rear electric windows with remote opening/closing
- 60:40 Split folding rear seats
- Rear armrest
- Luggage board
- Auto hold function
- High Beam Assist
- Adjustable speed limiter
- Car alarm
- Driver, passenger, side, curtain and far-side airbags

CHARGING:

- 87kWh usable capacity battery
- On-board 22kW AC Charger
- Up to 130kW CCS DC rapid charging rate^{AA}

TECHNOLOGY:

- Audio system with DAB
- 10 Bose^[1] Speakers
- Advanced windscreen head up display
- Full 12.3" TFT Screen
- Navigation 12.3" Screen and associated features
- Rear view parking assist camera*
- 360° digitally enhanced around view monitor with moving object detection
- Telematics: Remote Services, notifications & Connectivity Services^A
- Wireless Apple Carplay^[2] (cabled Android Auto^[3])
- Wireless phone charger
- Virtual Personal Assistant & Firmware Over The Air capability
- Bluetooth with audio streaming
- Front 12V socket
- Front and rear USB connection (Type-A and Type-C)
- Type 2 Charging Cable
- 3-pin EVSE Charging Cable

SAFETY:

- Intelligent Driver Alertness*
- Intelligent Blind Spot Intervention*
- Rear Cross Traffic Alert*
- Intelligent Speed Assist*
- Traffic Sign Recognition
- Intelligent Cruise Control*
- Intelligent front emergency braking with pedestrian & cyclist recognition and junction assist*
- Intelligent rear emergency braking with pedestrian recognition*
- Predictive forward collision warning*
- ProPILOT Assist with Navi-Link*
- Intelligent Lane Keep Assist*
- Intelligent Traffic Jam Pilot*
- Electric parking brake

*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. Some features may not work in all conditions and circumstances and may require paid subscription. For more information, please refer to the owner's manual, contact your Nissan dealer, or visit www.nissan.co.uk/techterms

^ATo use NissanConnect Services you need a smartphone with compatible iOS or Android operating system, and a SIM card with a data option from a mobile service provider. Download the free NissanConnect Services app and create an account. Connect your smartphone with your vehicle equipped with NissanConnect Services by logging in using your username and password. All services are subject to mobile network coverage. NissanConnect Services are free or available for an additional charge on subscription subject to grade. For further information, visit Nissan.co.uk or contact your local Nissan Dealer

^{AA}130kW CCS DC rapid charging requires use of a rapid charger, only available on the public network. Charging time and capabilities may vary depending on charging conditions, including charger type and condition, on-site power usage, battery temperature as well as ambient temperature at point of use, battery age and state of charge, and if battery safeguarding technology is activated.

Figures shown are indicative and shown for comparability purposes only. Ranges denoted with an asterisk () are based on internal testing data and are pending final homologation in 2024. Actual real-world driving results may vary. The range figures may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load. The other figures shown are based on internal testing data of battery and drive-train variants and may vary depending on multiple factors such as optional equipment, battery condition, climate control, maintenance, driving behaviour and non-technical factors like weather conditions, actual route etc. Information does not constitute part of the offer. Nissan expressly reserves the right to modify at any time.
